by deleting amendatory subdivision (e)(2) in Section 1 of the printed bill and substituting the following:

(e)

(2) The board shall develop and adopt rules and regulations providing teachers in kindergarten through grade twelve (K – 12) with duty-free planning periods during the established instructional day. The rules shall provide for annual reporting to the state department of LEA compliance by board policy or negotiations with a recognized professional employees' organization. At least two and one-half (2½) hours of planning time shall be provided each week during which teachers shall have no other assigned duties or responsibilities, other than planning for instruction. The two and one-half (2½) hours may be divided on a daily or other basis. Duty-free planning time shall not occur during any period that teachers are entitled to duty-free lunch. Any LEA which is providing a duty-free planning period by extending the school day by thirty (30) minutes as of the beginning of the 2000-2001 school year may continue such practice and satisfy the requirements of this section.
